LUPIT POLE PRO CART

MADE IN EU

LP PRO HANGER & CART

LUPIT POLE PRO WALL HANGER

- robust but **elegant design**, made of metal and powder brushed.
- all **edges are round shaped and well protected** to avoid pole damage when manipulated (on/off)
- **easy installation.**
- good for handy storage, cleaning/maintenance and room safety of the dancers.

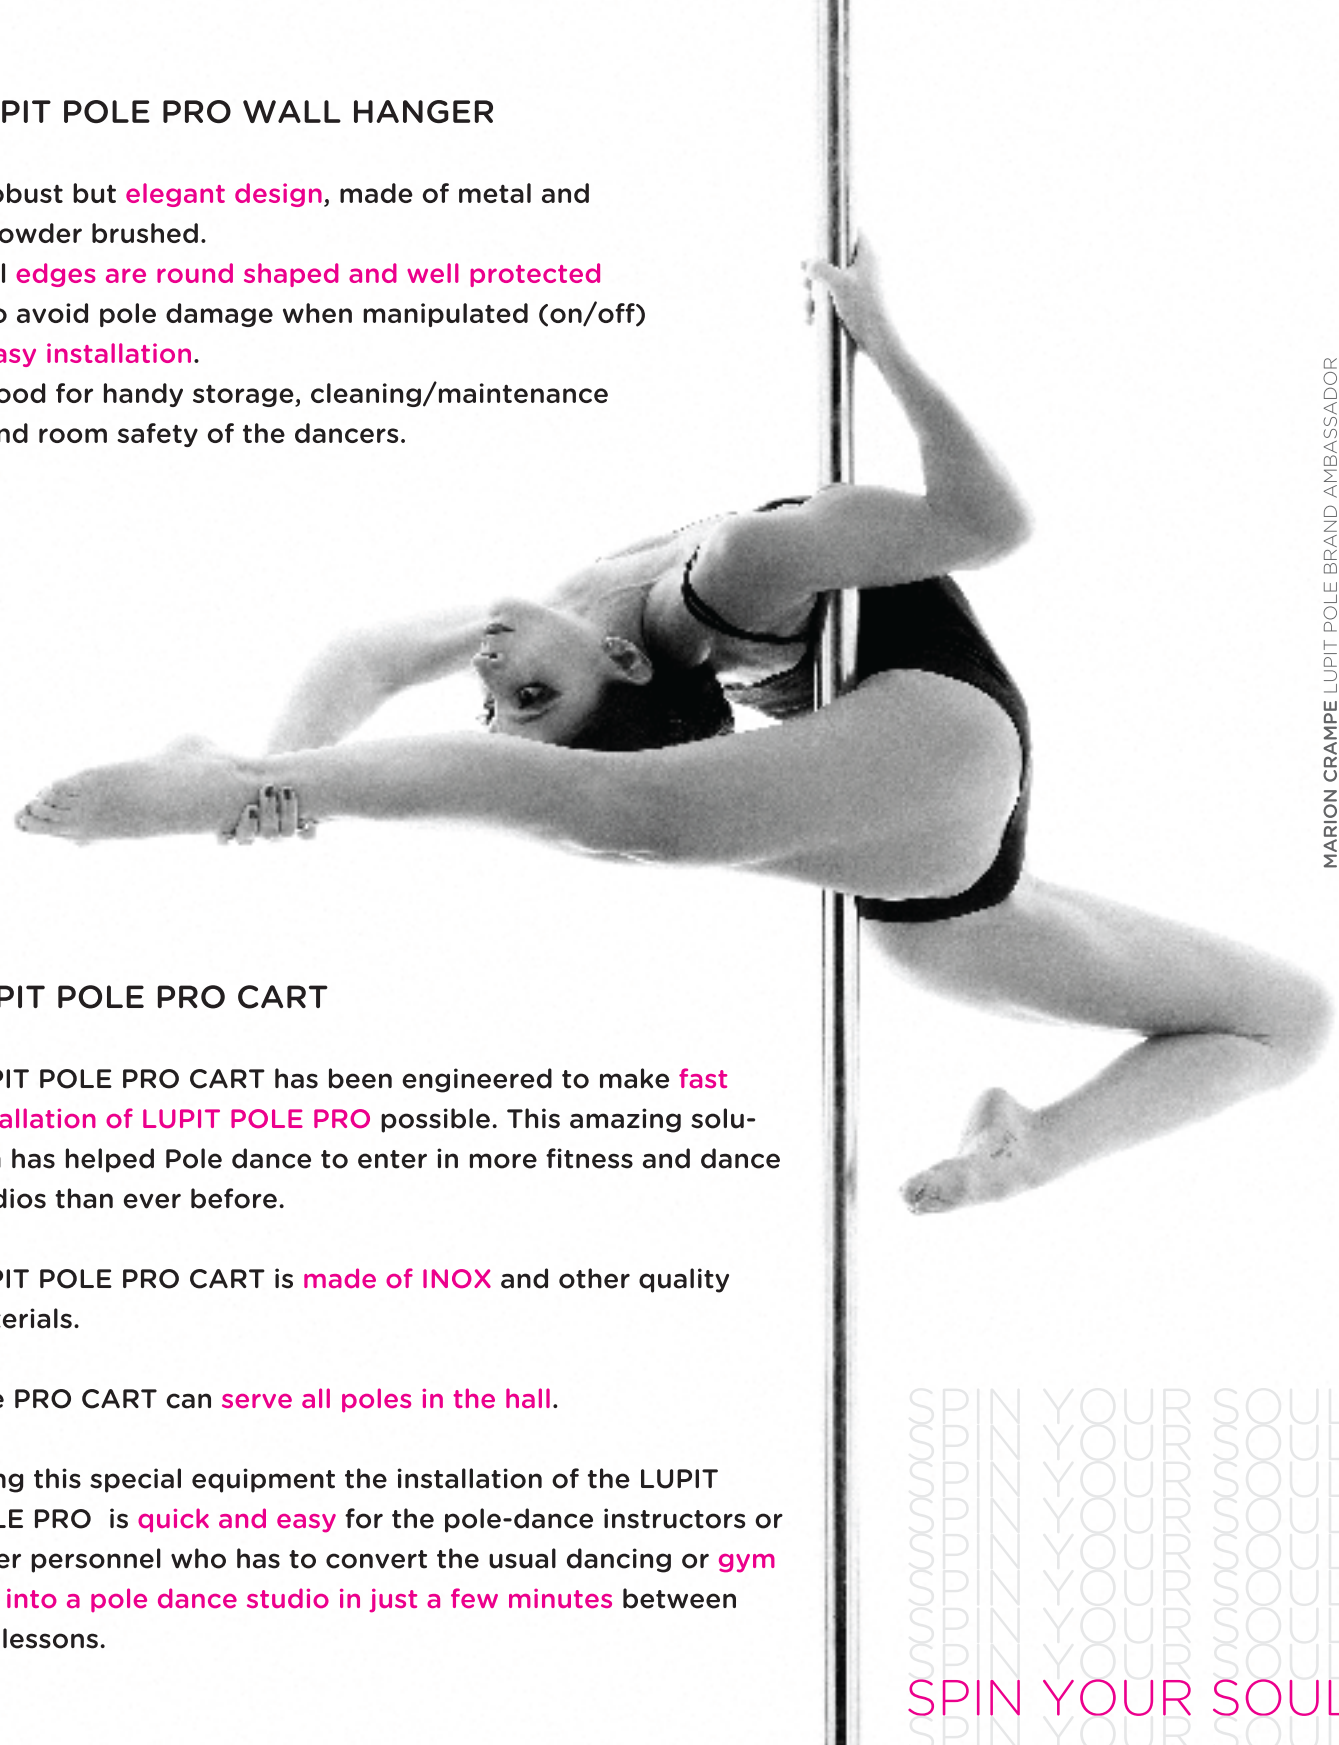

LUPIT POLE PRO CART

LUPIT POLE PRO CART has been engineered to make **fast installation of LUPIT POLE PRO** possible. This amazing solution has helped Pole dance to enter in more fitness and dance studios than ever before.

LUPIT POLE PRO CART is **made of INOX** and other quality materials.

One PRO CART can **serve all poles in the hall.**

Using this special equipment the installation of the LUPIT POLE PRO is **quick and easy** for the pole-dance instructors or other personnel who has to convert the usual dancing or **gym hall into a pole dance studio in just a few minutes** between the lessons.
